May 2011

Greetings to you,

The weather's finally warming up where we live and we're loving it. The kids are riding their bikes, enjoying the big trampoline, and picking our flowers. I'm enjoying getting to run more often, now that it's warmer in the mornings. And Deborah enjoys the flowers blooming, and flying kites with the kids.

But it's not all fun and games this summer, we're still working diligently at raising our remaining support. As we mentioned last month we've crossed 50% towards our support goal, but still have another half yet to go. Our summer is just starting but it already feels like it's going to be a blur of activity.

So far, every Sunday in June we will be presenting our ministry at a different church; plus one service scheduled for the second weekend of July. Dates and locations are posted on our website (theacousticlife.com). Pray that we will continue to find people who desire to partner with us and invest financially into our ministry.

The most exciting part for us though is July 18-26th. These are the dates for Campus Crusade's All Staff Conference held at Colorado State University in Fort Collins, CO. This conference (CSU for short) is held every other year and all Campus Crusade staff are required to go. And from what we understand it's a HUGE event. Missionary families from all across the US travel for a time of training, challenge, encouragement, and refreshing. During the day the kids are involved in a massive Kid's Care and Kid's Camp program and the teens have their own conference happening at the same time.

We'll be leaving the weekend before to drive down to Colorado. We'll stay in University dorms, and eat mainly in the cafeteria. We're looking forward to what God has prepared for us, for the friends we'll see and create, and for the many memories we'll bring home with us.

Please pray for us, and all the other missionary families, who will be traveling this summer. Pray for our safety, health, and adequate finances to cover the expenses involved. Thank you for your continued giving and prayers for our family, the ministry of FamilyLife, and those marriages who are transformed by it.
