All we need is...

\$15

...from everyone.

Several years ago MasterCard made some commercials that soon became part of pop culture. They were copied, mimicked, and spoofed.

Let me try to recreate the marketing genius here:

unexpected car repair = *1 year at \$15/month*

pizza night for our family of 8 = *\$35/month*

much needed date night for your favorite missionary couple = *\$50/month*

new clothes for 6 beautiful growing girls = *\$100/month*

knowing your giving allows us to bring help and hope to families though the resources of FamilyLife = **PRICELESS**.

You may not have made that kind of direct correlation before between your giving and how it affects our family, but we do. We don't ever take for granted that God provides for us through your investments of prayer and financial support. Thank you for your faithfulness, we couldn't do what we do without you.

Did you know that if everyone who reads this letter increased their monthly giving by \$10 or \$15 we'd complete our support goal and be able to make our move to Little Rock? We are that close to completing our support goal. As we continue to work hard to meet new people and finish our support goal by the end of this year, your increased giving could help propel that dream forward even faster.

We realize that \$15/month more may be a tremendous challenge for you. Or perhaps you can do even more. **Would you pray and consider whether God is challenging you to begin giving, or increase your monthly giving commitment?** Call and let us know.
