

Your Role

We must build a team of **partners** who will commit to give \$100 a month or some other amount, to support our ministry. We believe God has **called** us to FamilyLife, and as He calls, He will **provide**.

Our commitment to our partners:

To work diligently to touch the lives of people for Jesus Christ

To regularly let you know how God is blessing the ministry

To share prayer concerns with one another

To equip you with tools and resources to provide help and hope to those around you.

Help
brings **Hope**

"And hope does not disappoint..."

- Romans 5:5

God is looking for **people** through whom He can do the **impossible**. What a pity we plan to do the things we can only do by **ourselves**. - A.W Tozer

Our Family

While attending a Weekend to Remember event (in 2008) we were presented with the need and the opportunity to join the staff of FamilyLife. That evening we shared with our Pastor the possibility of joining the ministry. And he confirmed what we had been feeling but couldn't express.

"Abraham and Deborah, I think that this would be a perfect match for you as a couple. I can see how your skills, experience and passion intersect with the vision and mission of FamilyLife." - Pastor Jon Babcock

And thus began the adventure. We joined the staff of FamilyLife in Sept of '09 and began to seek our ministry partners and raise our financial support.

We're excited about what God is doing through the ministry of FamilyLife. And we're especially excited to see how God molds, shapes, and equips us to use our abilities to help build stronger marriages and families, one home at a time.

The Crisis

The Family is the most powerful human institution in the world for shaping civilizations and succeeding generations.

Today's Family Crisis

70 percent of young criminals come from one-parent families.

The health-related cost of abuse by domestic partners exceeds \$5.8 billion each year in the U.S. alone.

Over half of the teenage pregnancies come from broken homes.

Divorce and out-of-wedlock childbearing costs more than \$112 billion a year in U.S. taxes

Youth from broken homes are 3x more likely to drop out of high school.

if we reach the **family**,
we reach the **world**.

- Dr. Bill Bright
