Greetings,

Our first interaction with FamilyLife was during our first year of marriage via one of the many Weekend to Remember Getaways they host. We feel like that weekend established relationship principles that have healthily influenced our marriage. We attended another "Weekend" in the spring of 2008 where we heard about the staff opportunities with FamilyLife. Having benefitted from the ministry ourselves and seen the tragedy of broken families many times we immediately knew that this was a perfect fit for us.

The mission of FamilyLife is "to effectively develop godly marriages and families who change the world one home at a time." This is done through various tools. Eventually we will move to their headquarters in Little, Rock AR to work with them in one of these areas, including:

- ▶ Popular radio programs like "FamilyLife Today™" and others which provide practical answers drawn from the Bible to issues faced by couples and families today
- ▶ Weekend to Remember®, a 3-day getaway that changes lives as it strengthens marriages
- ▶ The Art of Marriage is a new 6 hour video event built on the same biblically based content as our Weekend to Remember marriage getaway.
- ▶ HomeBuilders Couples & Parenting Series®, offering small-group Bible study dedicated to making the relationships with your spouse and family all that God intended
- ▶ Popular resources like Passport2Purity™, Resurrection Eggs®, and Simply Romantic® Nights--all designed to help husbands and wives, or parents and children, connect with each other and build godly relationships as well as books and articles that cover a wide range of topics including marriage, parenting and spiritual growth.

You may not know that FamilyLife is a branch of Campus Crusade for Christ. Campus Crusade is a Christian missions organization with over 25,000 full-time staff members, hundreds of thousands of volunteers in nearly every country. Each staff member has the privilege and responsibility of raising all of their own support; and that means us.

We must find a team of partners who will **give \$100 monthly or some other amount** to support our ministry. At this point (Mar. 2012), we only need about \$1000 in new monthly commitments before we can report to work with FamilyLife. We are striving to finish this goal in the next 60-90 days. **Would you consider what you're role can be to help us finish this goal?**

We would love to set up a time to share our ministry with you and how you can be involved financially. If you have any further questions, feel free to call or email us.

If you have any further questions, feel free to call or email us.

Fighting for families,
